Dear Darry,

although, weird you act sometimes, (so do I though) I think that you are a real sweet person: I'm glad to be your friend, and I'm gonna miss your face, and wonderful personality next year. Your smile could make a person forget all their problems. Stay as sweet as you are and you'll go far. Stay out of trouble, (HA! keep smilin, and don't grit yourself out! HA!
